## Articles of Interest

Seeing the list of individuals above, it seems timely to review the report developed and presented last year by the Community College League of California (CCLC) regarding CEO tenure & retention. The medium tenure length for CCC CEOs was 2.5 years in 2013 and 3.5 years in 2014. As a result of the diminishing tenure, a study was conducted by the California Community College Trustees (CCCT) of the CCLC to determine consequences and ways to improve recruitment and retention among CCC CEOs.

Interestingly, if you remove the years of service from the individuals listed above who are leaving, the medium tenure length for CCC CEOs from the study are dramatically reduced.
