Articles of Interest

The Stamford Advocate recently posted rankings for California online schools as provided in a press release from The Community for Accredited Online Schools, a resource provider for higher education information. The organization has ranked the best colleges for online learning in the state of California. Additionally, rankings were provided for the state's top 40 two-year schools. The top five include: Santa Rosa Junior College, Diablo Valley College, Long Beach City College, City College of San Francisco and American River College.

The Compton Community College District has regained the right to govern itself. For more than a decade the district has been under the oversight of a special trustee while attempting to rebuild their program. Congratulations to everyone at Compton College and El Camino CCD for this accomplishment and doing it the right way!
